

# Administration of the Child Care Assistance Program

## 2022-2023 Kittson County and Tribal Child Care Fund Plan

### Administration of the Child Care Assistance Program

**Background:** Counties and tribes must submit a biennial Child Care Fund Plan to the commissioner. Child Care Assistance Program rules and laws allow counties and tribes to establish some local policies and procedures. These local policies and procedures, when included in this plan and approved by the commissioner, are considered county/tribal policy and are used to support agency decisions during appeals. The Department of Human Services (DHS) will review and approve County and Tribal Child Care Fund Plans. Counties and tribes will receive approval letters for their Child Care Fund Plans from the commissioner of DHS. This plan period begins on January 1, 2022.

Minnesota Statute, section 119B.08, subdivision 3

Steps to complete the plan process:

#### Step One – Review the plan

Review this plan. Determine if there are changes compared to previous plans or if there are new policies or procedures. Involve other staff as needed.

#### Step Two – Draft the plan responses

Note these guidelines:

- Identify all optional county/tribal Child Care Assistance Program policies; see question X.A.
- Do not answer questions by stating that the reviewer should refer to a previous plan
- Submit any agency-developed documents that have not been previously submitted and approved. Do not submit DHS and MEC<sup>2</sup> standardized documents. Refer to the DHS memo announcing this plan for a list of DHS created documents.
- Answer each question. Incomplete plans will be returned.

#### Step Three – Inform or involve stakeholders

**DHS encourages counties and tribes to develop optional policies in coordination with local child care stakeholders.** This may include: parents, child care providers, culturally specific service organizations, Child Care Aware agencies, interagency early intervention committees, and agencies involved in the provision of care and education to young children. Consult with other agency staff such as fraud investigators and income maintenance and employment services staff.

#### Step Four – Share the draft plan

Prior to submission, you must make copies of the proposed plan available to the public and allow sufficient time for public review and comment. See question II.D of this plan; describe methods used to make the plan available to the public, particularly to those members listed in II.D.

#### Step Five – Submit the plan by the deadline (Friday, September 17, 2021)

#### Amendments to plans

A county or tribe may amend their Child Care Fund Plan at any time. If approved by the commissioner, the amendment is effective on the date requested by the agency unless a different effective date is set by the commissioner. Plan amendments must be approved or denied by the commissioner within 60 days after receipt of the amendment request. The department reserves the right to direct a county or tribe to amend its child care fund plan if the plan is no longer in compliance with Minnesota Statutes, Minnesota Rules, or federal law.

Minnesota Rules, part 3400.0150, subpart 3

Amendments include changes in county/tribal contacts, county/tribal optional policies, new or revised forms and notices. Amendments can be sent in letter form or by email to the agency's child care assistance policy specialist.

Return completed plans by **Friday, September 17, 2021** to:

Such collaborations are between Kittson County Social Services and Public Health Nurses to coordinate Well Baby / Teen Checks, Immunizations, and other health related services. Kittson County Social Services also works with Headstart and ECFE to provide assessments and referral for services for families with children that may exhibit delays or other concerning behaviors.

1. Does your agency extend redetermination dates beyond 12 months?

Yes  No

## IV. Provider compliance policies

### A. Reasons for closing a provider's registration

[Minnesota Statutes, section 119B.13, subdivision 6\(d\)](#) allows counties and tribes to refuse to issue a child care authorization, revoke an existing authorization for a provider, stop payment, or refuse to pay a bill under circumstances described in the seven clauses below. Counties and tribes must indicate which clauses they will include in their plan, and must apply the policies consistently to providers.

CCAP Policy Manual,  
Chapter 9.3

CCAP Policy Manual,  
Chapter 13

- An agency cannot implement these policies without establishing them in their plan.
- An agency must notify their child care assistance policy specialist at least 10 days prior to closing a provider's registration or taking any other action to enforce any of these policies, except clause 4 when notified by DHS.
- An agency that does not implement these policies may still pursue a fraud disqualification for a provider. These policies can be used in addition to, or in combination with, a fraud disqualification.

Does your agency plan to disqualify providers for reasons listed in [Minnesota Statutes, section 119B.13, subdivision 6\(d\)](#)?  Yes  No

## V. Unsafe care

### A. Unsafe care

An agency may deny authorization as a child care provider to any applicant or rescind authorization of any provider when the agency knows or has reason to believe that the provider is unsafe or that the circumstances of the chosen child care arrangement are unsafe. See [Minnesota Statute, section 119B.125, subdivision 4](#). When a provider's authorization is rescinded due to unsafe care, the agency must close the provider's registration with a 15 calendar day notice.

If there is also an imminent risk of harm to the health, safety or rights of the child(ren) in care with a legal nonlicensed (LNL) provider, certified license exempt center, or a provider licensed by an entity other than the state of Minnesota, child care authorization must be terminated immediately. See [Minnesota Rules 3400.0185, subpart 2, clause D](#).

NOTE: The Consolidated Appropriations Act of 2018 (Public Law 115-141) prohibits states from expending federal CCDF funds on providers where a serious injury or death occurred due to substantiated health or safety violations.

#### 1. Conditions of unsafe care

1a. Identify any additional conditions of unsafe care your agency applies to providers. NOTE: For legal nonlicensed providers, the department has identified that when substantiated maltreatment occurred in a legal nonlicensed care setting related to an incident where a child died or was seriously injured, the child care setting is considered unsafe care. A serious injury is one that required treatment by a physician.

Kittson County does not have any additional conditions of unsafe care and uses what is listed in statute 245c.14 & 245c.15.

1b. Do these conditions apply to all provider types? If no, explain which criteria apply to which provider types.

Yes.

## 2. Imminent risk

Some unsafe care conditions present an imminent risk for children in care. When there is an imminent risk of harm to the health, safety or rights of a child in care with a legal nonlicensed provider, certified license exempt center or a provider licensed by an entity other than the state of Minnesota, child care authorization must be terminated immediately. Agencies do not give the provider 15 calendar days notice. See Minnesota Rules 3400.0185, subpart 2, clause D.

2a. Of the unsafe care conditions listed in V.A.1, what conditions does your agency recognize as presenting an imminent risk to the health, safety or rights of a child in care with a legal nonlicensed provider?

KCSS would use child protection guidelines / laws to determine imminent risk & if action by county is warranted.

2b. Do these conditions apply to all of these provider types: legal nonlicensed providers, certified license exempt centers and providers licensed by an entity other than the state of Minnesota? If no, explain which criteria apply to which provider types.

Yes.

# VI. Policies applicable to legal nonlicensed (LNL) providers

## A. Annual monitoring

Any legal nonlicensed (LNL) provider with an open Service Authorization for a child who is not related to them must have an annual monitoring visit. Related means the provider is the child's sibling, grandparent, great-grandparent, aunt, or uncle of the child, based on blood relationship, marriage or court decree.

1. How does your agency track legal nonlicensed providers who are registered with your agency and who have an open Service Authorization for unrelated children? NOTE: DHS typically sends a list of annual monitoring visits that must occur within the next 90 days, but agencies must take other steps to monitor authorized LNL provider caseloads to ensure all providers who need an annual monitoring visit are identified.

Licensing worker has an open SSIS case with the LNL and track annual visits by case.

2. What are your agency's internal processes and procedures for completing monitoring visits?

Licensing worker will make announced annual visits and share information with the MEC2 Provider Worker to update tracking in MEC2 as needed per case.

3. If a provider does not show compliance with an annual monitoring visit, under what conditions can they receive CCAP payments in the future?

- Only if the provider is licensed
- The provider must show compliance with another monitoring visit

If the agency performs another monitoring visit, what conditions are placed on the visit? For example, is there a time limit that the provider must wait before the visit can be performed? Is there a limit on the number of re-inspections?

There would be a time limit based within 30 days on the issues that they would need to come into compliance.

Other

## B. Complaints and incidents

### 1. Records of substantiated parental complaints

Within 24 hours of receiving a complaint concerning the health or safety of children under the care of a legal nonlicensed (LNL) provider, an agency must relay the complaint to the agency's child protection agency, county public health agency, local law enforcement, and/or other agencies with jurisdiction to investigate complaints.

Information regarding substantiated complaints must be released following applicable data privacy laws. See [Minnesota Statutes Chapter 13](#). When a report is substantiated, see [Minnesota Rules, part 3400.0140, subpart 6](#), for record retention and provider payment policies.

When complaints are substantiated how do you:

1a. Maintain these records?

Records are maintained in a file by the KCSS licensing worker.

1b. Make this information available to the public when requested?

All public information on substantiated complaints are available to the public upon request. Information regarding substantiated complaints will be released "following applicable data privacy laws".

### 2. Aggregate reporting of incidents

At least quarterly, agencies must report to the Minnesota Department of Human Services the aggregate number of deaths, serious injuries, and substantiated maltreatment incidents for children under the care of legal nonlicensed (LNL) providers.

How will you record and maintain accurate counts of incidents that occur in legal nonlicensed settings registered by your agency?

Licensing worker maintains log of complaints / incidents on file at the agency.

## VII. Special needs rates

Special needs rates, above the standard maximum rates, can be paid to providers if approved by the commissioner of DHS (up to the provider's charge).

Minnesota Statute,  
section 119B.13,  
subdivision 3

Minnesota Rules,  
part 3400.0130,  
subpart 3

CCAP Policy  
Manual,  
Chapter 9.54

## A. Special needs rates for children in at-risk programs

You may choose to pay special needs rates for certain populations defined as "at-risk" in your County and Tribal Child Care Fund Plan. At-risk means environmental or familial factors exist that could create barriers to a child's optimal achievement. 1. Do you pay a special needs rate for at-risk populations?  Yes  No

If this information changes, including additional population groups identified by your agency, new facilities, or a proposed change in rates paid, DHS must approve the change. Submit a request to amend your plan. This information will be used during case audits.

## B. Special needs rates for care of sick children

You may choose to pay special needs rates for the care of sick children. Special needs rates for care of sick children apply to rates paid above the standard maximum rates to a provider that cares for sick children. You must have DHS approval for these rates to be paid.

Minnesota Rules, part  
3400.0110, subpart 8

1. Do you pay a special needs rate for care of sick children?

Yes  No

## VIII. Payment policies

### A. Provider registration renewal

How often do you renew a provider's registration?

subpart 8

**Note:** If the rate paid for care of sick children exceeds maximum rates, the "rates for care of sick children" must be included in the special needs rates section of this plan.

### C. Submission of invoices

If a provider receives an authorization of care and a billing form for an eligible family, the provider must submit the billing form to the agency within 60 days of the last date of service on the billing form. If the provider shows good cause for the delay you may pay bills submitted after 60 days.

Minnesota Statute, section  
119B.13, subdivision 6

1. What is your **definition of good cause** for delay in submitting a billing form? Agency error must be included in this definition.

Provider good cause for delay in bill submissions will include extenuating circumstances for the provider, such as, human error, illness, vacation, and absences. Good cause will also include county error regarding the bills submitted.

2. Does your agency have any providers using MEC<sup>2</sup> PRO?  Yes  No

3. When is a provider signature not needed on a billing form?

Hospitalization or incapacity of a provider to sign the billing form.

4. Do you require the parent signature on the billing form?  Yes  No

4a. When is a parent signature not needed on a paper billing form?

Hospitalization or incapacity of a provider to sign the billing form.

## D. Underpayments

If you have underpaid according to Child Care Assistance Program policies, do you make corrective payments?

Yes  No

If yes, under what conditions do you make corrective payments? You may apply criteria such as a dollar amount or how far back the situation occurred.

Corrective payments are done in situations where there was originally an error made by the provider on the bill or the amount entered for the payment by the CCAP worker was entered incorrectly into MEC2.

## E. Provider rates

Does your agency enter provider rates on MEC2?  Yes  No

## F. Absent day policy

The Child Care Assistance Program limits the number of paid absent days for licensed child care providers and certified license-exempt centers. Payment may exceed absent day limit at the request of the provider and with the approval of the county or tribe, if at least one parent in the family:

Minnesota Statute,  
section 119B.13,  
subdivision 7

- Is under the age of 21; and
- Does not have a high school or general equivalency diploma; and

1. Do you conduct case management reviews of CCAP?  Yes  No

2. Do you conduct case management reviews of CCAP providers?  Yes  No

## X. Other information

### A. Additional agency optional policies
