Filing for Exemption

Minnesota Statutes 272.02, subdivision 90 provides a property tax exemption to qualifying nursing homes and boarding care homes. The facility must be exempt from federal income taxation pursuant to section 501(c)(3) of the Internal Revenue Code, and must meet one of the following requirements:

- The facility is certified to participate in the medical assistance program under title 19 of the Social Security Act; or
- The facility certifies that it does not discharge residents due to the inability to pay.

Applications are due February 1 of the assessment year. This application must be re-filed every third year. No matter what year the taxpayer initially files for exemption, applications will again be due in 2016, 2019, 2022, etc.

In cases of sickness, absence, disability or for other good cause, the assessor may extend the deadline for filing the statement of exemption for a period not to exceed 60 days.

Required Documentation

You must provide the following documentation with this application:

- A designation from the IRS proving status as a 501(c)(3) organization; and either
- a copy of the facility's discharge policy showing that residents are not discharged due to the inability to pay; or
- proof that the facility is certified to participate in the medical assistance program under title 19 of the Social Security Act.

No property will be exempt from taxation under Minnesota Statute 272.02 if the taxpayer claiming the exemption knowingly violates any of the provisions of this section.

Assessor May Request Additional Information

Upon written request by the assessor, taxpayers must make available to the assessor all necessary books and records relating to the ownership or use of property which can help verify whether or not the property qualifies for exemption.

Property which is exempt from property tax on January 2 and, due to sale or other reason, loses its exemption prior to July 1 of that year, will be placed on the current assessment rolls for that year.

The valuation will be determined with respect to its value on January 2 of such year. The classification will be based on the use to which the property was put by the purchaser, or

in the event the purchaser has not utilized the property by July 1, the intended use of the property, as determined by the county assessor, based upon all relevant facts.
